

Carcinotech Ltd- Quality Policy

We have established this quality policy to be consistent with the purpose and context of our organization. It provides a framework for the setting and review of objectives in addition to our commitment to satisfy applicable customers', regulatory and legislative requirements as well as our commitment to continually improve our management system.

Customer focus: As an organization we have made a commitment to understand our current and future customers' needs; meet their requirements and strive to exceed their expectations.

Leadership: Our Top Management have committed to creating and maintaining a working environment in which people become fully involved in achieving our objectives.

Engagement of people: As an organization we recognise that people are the essence of any good business and that their full involvement enables their abilities to be used for our benefit.

Process Approach: As an organization we understand that a desired result is achieved more efficiently when activities and related resources are managed as a process or series of interconnected processes.

Innovation and Improvement: We have committed to achieving continual innovation and improvement across all aspects of our quality management system; it is one of our main annual objectives.

Evidence-based decision making: As an organization we have committed to only make decisions based on analysis of relevant data and information.

Relationship Management: Carcinotech Ltd recognises that an organization and the relationship it has with its external providers are interdependent and a mutually beneficial relationship enhances the ability of both to create value.

Our policy is also to meet the requirements of other interested parties and in meeting our social, environmental, charitable, regulatory, and legislative responsibilities.

The quality objectives above form part of this policy and are reviewed annually by the management team. This policy is communicated to all interested parties as well as being made available to the wider community through publication on our website.
